Keep a tally on how high the bids go, and increase your bid by re-visiting the silent auction tables and reviewing the bid sheet(s).

If you bid, PLEASE plan to follow through with your payment and pick up of the item by the end of the day.

Before the close of each lot, an announcement will be made as a reminder to go back and make a last bid and check items you're interested in. After the lots close, check with the silent auction staff to find out if you've won, pay for your items.

If you are not present at Paws in the Park at the end of the Silent Auction, we will contact you. All items must be paid for by the winner by June 6th, 2010 and picked up at our facility at 604 Boston Post Road, Sudbury. In order to really enjoy a dog, one doesn't merely try to train him to be semi human.
The point of it is to open oneself to the possibility of becoming partly a dog.

Save A Dog is a 501c3 tax exempt Humane Society whose mission is to rescue, rehabilitate, and find adoptable homes for abandoned dogs. We are a holistically-minded organization that believes in providing the highest quality care to our rescued dogs. We give the dogs vitamins, herbal supplements, and probiotics from day one as our shelter protocol. Each night the new arrivals are serenaded to animal healing music while enjoying a fresh meaty bone on their kuranda beds. We have a very strong foster home program so that the dogs are transitioned into the home environment as soon as possible. We educate our adopters on holistic care for their new dog and our Retail room carries pet food and all the holistic supplements at a very low cost to our adopters and supporters. Please come visit us during our open hours. Save A Dog was incorporated in 1999 and funded entirely by private donations.

Please keep the historical grounds of the Wayside Inn litter free. For your convenience, doggy clean-up bags are inside your goodie bag, as well as all our Booths.

During the Revolutionary war when British General Howe's dog accidentally crossed American lines, General George Washington wrote a letter to his British counterpart and returned the dog to him. No wonder we elected him the first President! In the midst of the Revolution he took the time to save a dog!

Save A Dog is a 501c3 non-profit organization.
Additional pledges and tax deductible donations should be mailed to:
